- YES**, for the purpose of tax exemption by § 4 No. 2 UStG (sales tax law) linked with § 8 break 1 UStG, I acknowledge that the above mentioned ship is operated by us or our customers in the direct meaning of chapter 8.1 break 1 of the UStAE (VAT Application Decree) and that the ship is a vessel destined in its make for the purchase by maritime shipping or rescue castaways*. The service is meant for the above mentioned ship and the above mentioned provision of services only.

* Valid is the customs tariff classification. This means especially commercial shipping, sea going passenger ships and ferry-boats, fishing trawlers and ships of the Federal Maritime Office for Trade, as i.e. towing and shifting boats. Recreational crafts, private yachts and ships of the public authority do not belong to the same category.

- NO**, this ship is not a tax-free one.

Please observe that this order of the Fischereihafen-Betriebsgesellschaft mbH must be completely filled out in case you want to draw on our services. This order is only valid with your signature and company stamp and has to be transferred to:

ORDER@FBG-BREMERHAVEN.DE

The billing is based on the prices for connection of FBG. Furthermore, the general terms and conditions for power rates ,DER SPEZIELLE' and ,DER KURZFRISTIGE' as well as the AVBWasserV in their currently valid version apply. The current valid version can be found on our website: www.fbg-bremerhaven.de
